

**KAILEE FOUND
HER DONOR.**

**PLEASE HELP
THOSE THAT
ARE STILL
WAITING.**

More than 35,000 patients per year, many of them children, are diagnosed with diseases treatable by marrow or stem cell transplant. These diseases include leukemia, lymphoma and other cancers and genetic diseases.

You could be someone's perfect match.

Please join us for a MARROW DONOR REGISTRATION DRIVE.

A simple mouth swab is all it takes to register as a volunteer donor.

**Place: St. George Church
55 Emmonsedale Rd.
W. Roxbury, MA 02132**

Date: July 12, 2009

Time: 12 noon-2 pm

To register you must be between the ages of 16 and 60 and in general good health.

The legislators in several states have passed laws that make it mandatory for most insurance companies operating in these states to pay for the HLA testing. Please bring your health insurance card with you.
